

BIPOC-Led Operating Support – Final Report Zoom Huddle Questions

Please note, these sample questions are provided for your reference. Questions are subject to change. In order to be respectful of your time, we'd like to do a verbal report. If you'd prefer to do a written report, please let us know.

If you receive a grant for BIPOC-Led Operating Support, your final report will be a Zoom Huddle six months after funding. Maddie's Fund will reach out to grantees to schedule the Huddle.

We will be asking the following questions during the Zoom Huddle:

1. How did you spend our funding? Or how do you plan to, if not spent yet?
2. Please share any success stories or accomplishments (quantifiable or qualitative) from the past 6 months.
3. How did you market or promote this grant? Did this grant help to leverage any other fundraising or greater support?
