Feline Aggression Profile

Many aggression problems can be reduced and/or solved completely. Please take the time to fill out this information as thoroughly and accurately as possible. In addition to filling out this form, we strongly encourage you to contact our feline behavior specialist at (608) 838-0413 ext. 148 to discuss the problem and find possible solutions that may allow you to keep your cat. The answers to these questions will help us to assess the extent of the cat's aggression problems in order to determine the cat's adoptability. Missing or incomplete answers may affect this cat's chances of finding a new home.
