If no, please explain:

Please review the following information and select "Yes" below to indicate your acceptance.

Any research funded by this grant must aim to improve the health and well-being of shelter animals and demonstrate direct relevance to adoption guarantee shelter practices and methods. Studies must follow accepted scientific principles so results are credible. No terminal research projects will be accepted, and all studies involving the use of live animals must be approved by the University's/College's Animal Care and Use Committee.

If your proposal is approved, you agree to the following:

- To submit a report that describes how the grant funds were spent.
- To honor Maddie, the little dog who inspired a movement, through your social media and sponsor recognition about this grant on your website, annual report, newsletter, or other promotional materials or marketing communications, as appropriate.
- Any and all presentations given or publications arising from this project should recognize Maddie and Maddie's Fund. Copies of all publications stemming from this project must be submitted to Maddie's Fund at the time of publication.

When you submit your proposal, you will receive an automated email immediately from Maddie's Fund confirming your proposal has been submitted. If you do not receive this email, please contact Maddie's Fund at 925.310.5450 or research@maddiesfund.org as your proposal may not have been submitted. Proposals that are not submitted and left as "In Progress" will not be reviewed. We expect to notify everyone who submitted a proposal with our decision within approximately eight weeks of the close of the application cycle.

By selecting "Yes", I agree to the above statements. I certify that I have answered all of the questions in this proposal. All the information is complete and correct to the best of my knowledge. I am aware that incomplete proposals might not be reviewed by Maddie's Fund.
