

# Shelters for Fosters Program

Enabling your shelter to ship food and medicine directly to your foster's homes.

With your own Covetrus veterinary storefront, your shelter's foster program can now become much easier to manage while we are all taking safety measures throughout the COVID-19 crisis.

## Get started today and your shelter program will benefit from:

No fees to set up your store

Thousands of supply SKUs for food, medicine and compounded medication at your fingertips

AutoShip features to 'set and forget' automatic deliveries

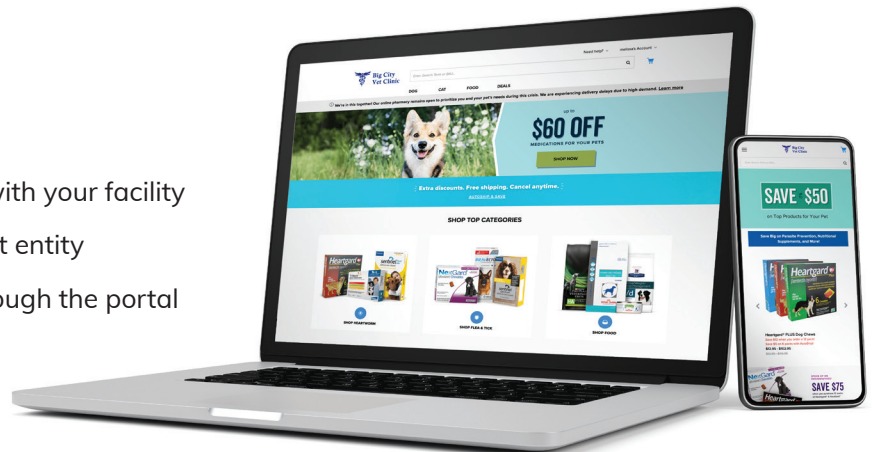

Discounts and coupons on essential products needed for your fostered animals

A unique concierge service answered by our veterinary-trained pharmacists

## To be eligible, your shelter needs to:

- ✓ Have a licensed DVM that is affiliated with your facility
- ✓ Be a 501c3 or government not-for-profit entity
- ✓ Have a credit card for all purchases through the portal

**Sign up and get started today by going to:**
